

VARUN SHETTY B

MCA Student | Aspiring Software Developer

shettybvarun@gmail.com | +91 81236 65363 | Shivamogga, Karnataka | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

OBJECTIVE

Enthusiastic MCA student with skills in web development and a strong interest in AI/ML, seeking an internship to develop scalable web applications and integrate machine learning solutions for real-world problems. Quick learner with a solid foundation in programming and database management. Eager to gain practical experience, enhance technical skills, and contribute effectively in a team environment.

EDUCATION

Master of Computer Applications (MCA) – 2024 – 2026 (Pursuing)

Mangalore University

Bachelor of Computer Applications (BCA) – 2021 – 2024

Kuvempu University | CGPA: 8.7

INTERSHIP EXPERIENCE

Software Technical Intern – Test Savvy

During BCA (Academic Internship)

- Developed and tested web-based applications using HTML, CSS, JavaScript, and backend tools
- Participated in debugging and improving application performance
- Collaborated with team members on real-world project tasks
- Gained hands-on experience in the software development lifecycle

TECHNICAL SKILLS

Programming: Python, Java, C/C++

Web Technologies: HTML, CSS, JavaScript, PHP

Frameworks: Flask

Database: MySQL, SQLite

Tools: Git, VS Code

Concepts: Machine Learning, Data Analysis, Web Development

PROJECTS

Global Farmer – E-Commerce Web Application

PHP, MySQL, HTML, CSS, JavaScript

- Full-stack e-commerce platform for agricultural products with user authentication and shopping cart
- Admin panel for product/category management and responsive UI with product filtering

COVID-19 & Pneumonia Detection using CT Scans

Python, Machine Learning (SVM, Random Forest, Logistic Regression)

- Built ML model to classify CT scan images into COVID-19, Pneumonia, and Normal categories

- Applied image preprocessing (resizing, normalization); evaluated using accuracy, precision, recall, F1-score

Smart Diet & Fitness Planner

Flask, HTML, CSS, SQLite

- Web app with login system, user dashboard, BMI/calorie tracking, water intake module, and admin panel

Student Result Management System

PHP, MySQL, HTML, CSS

- Web-based system with secure admin/user login, automated result calculation, and report generation

STRENGTHS & INTERESTS

Strengths: Quick learner, strong problem-solving skills, ability to work on real-world projects

Interests: AI & Machine Learning, Web Application Development

Hobbies: Gaming, Travelling
